Extend your visual experience

Get even more out of your HP Monitor with useful accessories designed to help you enhance your workspace, be more productive, and connect to your multimedia content and peripheral devices. And, with a one-year warranty, you also enjoy peace of mind.

B1F63AA

HP Dream Color Calibration Kit (DCS)

Precision color accuracy for professional users. Contains a colorimeter and software (Microsoft® Windows® and Apple Mac OS X) to quickly and accurately calibrate monitor front-of-screen settings to prevent drift of critical monitor color or whitepoint settings.

- Easy, intuitive all-in-one design
- Measures five times faster than previous devices
- Compact and self contained for maximum portability

NQ576AA/AT

HP LCD Speaker Bar

Give your monitor full multimedia capabilities without taking up additional desk space. This elegant speaker bar enhances multimedia presentations, online video streaming, and webinars.

- Attaches easily to the bottom of the monitor
- Includes external headphone jack
- USB-powered, eliminating the need for an additional power cord or AC adapter

NL571AA/AT

HP USB Graphics Adapter

Extend your display experience with multiple monitors. The HP USB Graphics Adapter lets you build a spectacular wall of tiled displays or, for everyday use, connect several monitors to your Notebook or Desktop PC.

- View large spreadsheets across two screens or multitask without overlapping windows
- Enable multiple screen presentations from one PC
- Edit documents on one screen and view reference documents on another; compare multiple documents simultaneously

with HP accessories.

EM870AA/AT
**HP LCD Monitor
Quick Release**

Mount your monitor your way. This easy to use, VESA-compliant LCD monitor mounting solution lets you quickly and securely attach an LCD monitor to a stand, mount, or wall.

- Failsafe "Sure-Lock" mechanism snaps your monitor securely in place
- Theft-deterrent security screw can be added for further protection

AW664AA
**HP Adjustable
Dual Display Stand**

Use two displays to maximize your productivity and optimize efficiency.

- Use two external displays up to 24 inches in size simultaneously to increase productivity
- Either or both displays can be rotated to landscape or portrait orientation

LH526AA/AT

LH526AA/AT / QP897AA/AT
**HP Integrated Work Center
Stands for USDT/Thin Client
or Small Form Factor Desktop**

The perfect fit for your workspace. Maximize limited desk space and attach your 17- to 24-inch diagonal LCD monitor to your HP Ultra-slim Desktop PC, HP Thin Client, or HP Business PC Small form Factor Desktop without compromising performance or productivity.

- Stay comfortable and productive all day long with tilt, height, and swivel adjustments
- Keep your workspace tidy with cable pass-through and clips
- Monitor height adjustability for increased comfort and productivity

QP897AA/AT

BT861AA/AT
HP Single Monitor Arm

Designed to complement the way you work. This sleek, streamlined stand helps you make the most of your available workspace.

- Includes convenient cable management to route cables under the arm and out of the way, keeping clutter under control
- Adjustments include lift, tilt, pan, and rotation for comfort and productivity all day long
